

HAPPY SCANS PRESENTS

To those who give a shit.

If you're wondering why the 'ofs' are not being added despite HachiOtsuki translating them, wonder no more as I'm the one and only culprit. So sue me, crush me, whatever! Unless we get ourselves an actual 'redraiser', I won't be arsed to work on those pain in the ass 'ofs' now! (The same applies to 'Kakko Kamen')

Aren't
you
heard
about
it...?

A
group calling
themselves
Nosferato...

Dude, you
are truly an
unlucky bas-
tard...

Nos-
fer-
to...

No!

What
are
they
...?

You
know
about
'em...?

They are
beyond terrible,
and now you're
in their grasp...

IT'S SAID THAT
THEY'RE RESPONSIBLE
FOR THE RISE
OF SO MUCH DESTRUCTION AND EVIL
HERE AT MIU HIGH
SCHOOL!

THE
CAMPUS
MAFIA!

YOU COULD
SAY THEY
ARE AN EVIL
SECRET SOCIETY RIGHT
HERE IN THE
CONFINES
OF THE
CAMPUS!

THEY
BROUGHT
THE BLACK
MARKET FOR
NARCOTICS
INTO THE
SCHOOL AND
COMMITTED
COUNTLESS
VIOLENT
CRIMES!

It's also
said that their
sexual depravities are more
extreme than
the worst adult
cases in the
under world.

Rumor
has it they'll
even kill
people for
money.

After all,
tomorrow
I'll be
fighting
you, Gode.

And
anyway,
I'm busy
tomorrow.

I do...
I won't be
able to sleep
until I know the
cause of that
incident.

And,
say Gode...
would you con-
sider join-
ing the Doctor's
club?

It's okay
by me if we
can't call that off,
but we have
you're taking
on the One
Federation's
anchoring.

And the
Federation
will help
you with
this
matter.

How
about
it?

You got
the skills.
I think you'd
be a good
candidate
for the next
captain...

Takin' on
KosParabo
surely has
only one
outcome.

To see each
potential
walking to
the demise...

It's a
pity...

God!

Tomorrow morning,
these two will be no-
thing but cold stumps
laid out in some cor-
ner of the school
yard...

Red-
Pond's
Hide-
out...

It's a
little way
off from
the school
grounds

It's
along the
wooded
out back.

There's
a lot of
vacant land
back there.

What remains
are the athletic
field choked with
weeds and the old
tumbled-down
wooden school
buildings.

Here.
The grounds
of the old
Mau high
school.

That
is it.

They use one of
the old school
buildings as
their school.

THAT
RUN-DOWN
GYMNA-
SIUM!

THAT'S
NOSFE-
RATUT'S
HIDEOUT
!!

Brrrrr
...

CHEER
UP,
WHY
DON'T
YEA!

LET'S
DANCE!
LET'S
DANCE!

YA-
SUNURA,
YOU BASTARD!
YOU TRICKED
ME!

Y-
Yadu

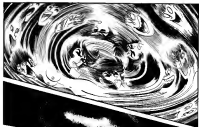

NO,
I DID-
NOT! I
DWE-
AR!

I
REALLY
HAVE
NO IDEA
WHAT'S
GOING
ON!

Or was it
a raccoon-
dog playing
tricks...?

Was last
night just
a dream?

I guess
those
girls
were
working
for
Kos-
Remba...

So
completely
rewrote
the
game
in
a
single
night...

But that
would be
a pretty
fast
raccoon-
dog

And could
Zoro have
gotten
away...?

If so,
he's not
to be
underes-
timated.
